**Limited Loss and Damage Waiver (do not sign if you intend to provide an insurance certificate):**

In most instances insurance policies will protect your company for liability to third parties for bodily injury or property damage caused by you or your operation of rented equipment. However, it may not protect you for damage to the piece of rental equipment itself while the equipment is in your care, custody and control. The replacement cost of various pieces of rental equipment can range from \$2,500 to amounts in excess of \$150,000. As a result of this exposure, we ask that all rental customers purchase rental insurance to cover rental equipment with Equipment Finders, Inc. listed as additional insured on the general liability and as loss payee for physical damage on the rented equipment.

If you do not have insurance for your rental equipment, Equipment Finders, Inc. offers a Limited Loss and Damage Waiver. Loss and Damage Waiver is not insurance. By customer accepting the Loss and Damage Waiver on the front of the rental agreement and with immediate notification in the event of any accident and the prompt submission of applicable police reports, Equipment Finders, Inc. and customer agree that EFI will waive any claim against customer for direct physical damage to the equipment while in use by the customer subject to the following limitations. The customer will be responsible for a deductible of \$500 or 25% of the repair price or replacement value, whichever is greater, for each item of equipment claimed damaged. If the repair price or replacement value is less than \$500, then the customer is responsible for 100%.

If customer has insurance covering such loss or damage, the Loss and Damage Waiver becomes secondary and customer shall exercise all rights available to him under said insurance and take all action necessary to process the claim. Customer further agrees to assign said claim and any and all proceeds from such insurance to EFI. Upon request of EFI, Customer shall fully cooperate with EFI and furnish the name of his insurance agent, insurance company, and complete information concerning insurance coverage carried.

Notwithstanding the foregoing, the following conditions are not covered under the Loss and Damage Waiver:

- A. Any item of equipment or part thereof which is not returned for whatever reason, including theft;
- B. Damage resulting from improper use, overloading or exceeding the rated capacity of the equipment
- C. Damage to motors or other electrical appliances or devices caused by artificial current;
- D. Damage to tires, tubes and wheels caused by blowout, bruises, cuts and other causes inherent in the use of equipment;
- E. Accessories such as guard rails, kick plates, electric cord and cables, liquid fuel tanks, safety belts, safety lanyard;
- F. Damage as a result of vandalism or malicious mischief or intentional abuse;
- G. Damage resulting from misuse, abuse, failure to maintain, cleanliness, proper oil, fuel, hydraulic, coolant or pressure levels, lack of lubrication or other normal servicing of equipment;
- H. All damage resulting from overturning;
- I. All damage resulting from use of the equipment in violation of any provision of the Rental Agreement, violation of any law, ordinance or regulation;

I accept the above terms (do not sign if you intend to provide an insurance certificate):
